Re: Dr. Red Washburn v. Kingsborough Community College, et al.,  
Case No. 1:20-cv-00395-DLI-RLM

Your Honor:

I represent Plaintiff Dr. Red Washburn in the above referenced matter. Defendants moved to dismiss this case on June 23, 2020. After Plaintiff's response papers and Defendant's reply, the motion was fully submitted on July 31, 2020, a little over four months ago.

I am sure that this matter is being diligently pursued amidst the press of the court's business. However, I thought it would be appropriate to inquire as to any indications regarding this matter, as my client has inquired the status from me.

Thank you for any information you can provide.

Respectfully,

Jillian Weiss
